VISION STATEMENT

Menominee Tribal School students will possess high personal expectations, strive to achieve life-long goals, and embrace their responsibility to the Menominee Nation, their communities, and the world around them.

MISSION STATEMENT

Our mission is to:

- Teach respect for self, others and the environment
- Promote growth mindset for academic and behavioral success
- Develop thinking habits and skills necessary for the Information Age
- Integrate Menominee language and culture
- Form school, family, and community partnerships
- Foster life-long learners who positively impact their communities

PHILOSOPHY

The Menominee Tribal School is committed to educating young Native Americans to develop moral values and academic skills in an atmosphere of trust, encouragement, acceptance, and community. We believe that each student will experience:

- Personal self-worth

GOALS OF THE MENOMINEE TRIBAL SCHOOL

This challenge has been set by the Bureau of Indian Education (BIE) and the Office of Indian Education Programs (OIEP) to guide our efforts.

- Students will read independently to meet grade level standards
- Students will be proficient or advanced in reading and math according to grade level expectations
- School-wide attendance rate will be 90% or better
- Students will demonstrate knowledge and speaking of their language and culture
- Increased enrollment, placement and graduation rates for post-secondary students

SCHOOL HOURS

Daily Schedule	<u>Monday through Friday:</u> 7:40 – 7:55 – Breakfast is provided 8:00– Classes start 3:13 – Dismissal
----------------	---

Please note: Playground supervision by staff begins at 7:40 a.m.

For safety reasons please ensure your child is at school no earlier than 7:40 a.m.

Students that are not signed up for an afterschool program will be required to leave school grounds at dismissal, unless a signed parent permission note has been provided to the office by 2:00 PM.

PARENT/GUARDIAN EXPECTATIONS

BE INVOLVED

- **Read this handbook with student.** Please sign and return the acknowledgement form.
- **Be a major supporter of your child's education.** Let your student know you care about their education by volunteering at school! The Menominee Tribal School supports the involvement of parents in their children's education. Volunteering may be in the form of helping children within the classroom of the child or other children in the building; helping with extracurricular activities (pow-wows, fundraisers, outdoor education, cultural events, etc.); parent dinners; game nights; or any other events that the school may hold. Parents are greatly appreciated and a necessary part of the students' education.
- **Attend Parent-Teacher Conferences.** Parent-Teacher Conferences will be held twice per school year. A parent-teacher conference is a time to discuss how the student is doing in school. It's a chance to ask questions about the class as well as the student's progress. It is also a time to discuss ways to help the student be successful. All parent/guardians are required to be in attendance at both conference events. Report cards will be handed out at parent-teacher conferences. During all other reporting periods report cards/mid-quarter reports will be mailed out by the office staff.

REGULAR SCHOOL ATTENDANCE IS IMPORTANT

- **Attend school regularly.** 90% Average daily attendance or better is expected for the school year. Please see attendance policy on page 10-11 for updated truancy procedures.
- **Call MTS to report student absences @ 756-2354** or send a written excuse with your student upon his/her return to school.
- **Notify the school by writing** or calling at least two days in advance when your child is going to be absent for an extended period of time. Your child's teacher will complete a missing work form so that he/she does not fall behind in classwork.
- **Dental services are provided on-site.** In order to alleviate time out of school, Menominee Tribal School and the Menominee Tribal Clinic have partnered in providing on-site dental services to MTS students while at the school. A dental hygienist provides twice-yearly dental cleaning services to all students who have a signed permission slip to receive services on-site.

CALL IN EARLY FOR BUSSING CHANGES. BUS PASSES WILL NOT BE TAKEN AFTER 2:00.

- **Call the school early to make any transportation changes for the day.** In the event a student will need a temporary pick up/drop off change, parents need to notify the school **office no later than 2:00 PM** so the school can notify transportation and write out a bus pass which the student will present to the bus driver verifying his/her transportation change. When making transportation changes, parents are asked to abide by the following times:
 - AM bus passes: Call Transportation (799-3222) before 6:00 am.

- PM bus passes: Call Tribal School (756-2354) before 2:00 pm.
- ½ day bus passes: Call Tribal School before 10:00 am.

Keep emergency contact information updated: For safety reasons, bus drivers will not drop off a student age 10 and under unless there is someone home to supervise the child. If no one appears to be home, the school and/or transit will attempt to contact a person from the emergency contact sheet..

- Every attempt will be made to contact parents/guardians and/or emergency contacts. If our attempts are unsuccessful and there is no place to take the child, then we may have to notify the police and/or Social Services.

All information from parents will be handled confidentially.

ADMINISTRATION OF MEDICATIONS

The Menominee Tribal School cannot dispense any prescription and/or over-the-counter medications (including inhaled asthma medication) without proper authorization and instruction. This includes analgesics (Tylenol, or Acetaminophen, etc.) or cough syrup. We will not dispense any aspirin or salicylate-containing medications to a child unless specially authorized by parent/guardian. A Medication Authorization form is required. Only office personnel will administer medication. ***A Student Health Medical Plan is available in the office for parents to complete if their child/ren has medical conditions that may require additional care.***

HEAD LICE

In an effort to provide the best possible learning environment for our students, monthly head lice checks will be done. Students found with head lice will be sent home. Students will be rechecked upon returning to school. If the student is found to still have head lice or nits, the student will once again be sent home. ***One day of excused absence will be allowed to provide time for cleaning. Any additional days will be marked as unexcused. Notices will be sent home with student/parent informing them of findings.***

HOMEWORK

Homework is an important part of learning. A child needs to be extending learning time into the home. Many opportunities will be made available for students to do work at home, after school or on a computer. Homework will be assigned to students at all grade levels and will account for 10% of the grade for students in grades 3-8.

ATHLETIC CODE

All students participating in after-school activities are required to follow the rules set forth in the Menominee Tribal School Athletic Handbook. An Athletic Code Contract will be signed prior to participation in any sport. See Athletic Policy on page 25-27.

TELEPHONE USE

Use of the classroom telephones by students is prohibited. If they need to make an emergency call to family members, the student needs to come to the office to make the call. Classroom telephones are for the teacher or staff members only.

CELL PHONES

School policy restricts student use of cell phones, electronic paging or other communication devices while on premises under the control of Menominee Tribal School. We acknowledge the possible value of such devices for use before or after school hours and will allow storage of such devices in lockers during the school day. However, cell phones, pagers, and other communication devices must be turned off and **will be confiscated if used during school hours without permission from administration**. The school is not responsible for lost, stolen or damaged cellular phones.

ELECTRONICS (I.e. CD players, iPods, MP3 Players, etc.)

These items must be stored in lockers during the school day and will be confiscated if used during school hours. If students are going on a field trip a note to families will be sent home, notifying them that these items will be allowed, however, the school is not responsible for lost, stolen or damaged electronics.

CONTRABAND ITEMS

The following contraband items are not to be brought to school at any time. If a student brings them to school they will be confiscated.

- Toys
- Gum, food, candy, and soda
- High caffeine energy drinks
- Permanent markers
- Hand-held games
- Laser pointers
- Lighters/matches
- Any other items deemed unacceptable by staff will be referred to administration

All confiscated items, including cellphones and/or electronics, will be held in the school office until the parent/guardian comes to pick it up. It is the student's responsibility to notify their parent/guardian if an item has been confiscated. The parent/guardians can call the school office to arrange a pick up time.

CONCERNS

In the event of a concern, parents/guardians are asked to bring concerns forward in a manner which promotes positive conflict resolution.

- Concerns should be addressed in the proper chain of command
 - Parent/Guardian should attempt to resolve issue with staff person involved
 - If issue is not resolved to satisfaction, parent/guardian should bring issue forward to staff person's supervisor. In order to find out the appropriate person to speak to please contact the office staff and they can refer you to the proper point of contact.
 - See complaint policy on p. 27

In the event that a meeting to resolve conflict leads to rude behavior, the meeting will be adjourned until a later date, the school administrator will be asked to mediate, and/or the rude individual will be asked to leave the premises. Threatening behavior will be addressed by the Menominee Indian Tribe of Wisconsin *Violence in the Workplace* policy.

PROGRAMS

Menominee Tribal School follows the Common Core State Standards for English Language Arts and Math, as well as the Wisconsin State Academic Standards for all other content areas.

Response to Intervention (Rtl)

Menominee Tribal School has implemented a general education student intervention program called Response to Intervention or Rtl. Rtl provides academic, behavior and/or social intervention supports within the general education setting to students that have been identified as at-risk of achieving **and/or** maintaining grade level expectations. Identifying those students that may be in need of Rtl supports may come from the following areas of concern: academic grades; school wide assessments such as the DIBELS Reading Assessment, Smarter Balanced Assessment, MAP; behavioral referrals; attendance/truancy issues; as well as other parent and/or teacher concerns.

Rtl is a process that works on a 4-tiered integrated system.

- Tier 1 includes all school-wide programs that are provided to all students. Examples include the general curriculum, instruction and assessments. Students that are demonstrating difficulty or that are not making adequate progress may be referred for additional supports from Tier 2. Student Support Team (SST) Meetings may be scheduled (see below).
- Tier 2 provides a student plan that includes additional academic, behavioral or social intervention supports. Interventions may include additional instructional time or small group instruction. Student progress is routinely and closely monitored. SST Meetings continue and if needed, a request for a Student Intervention Team (SIT) Meeting may be requested (see below).
- Tier 3 provides a student plan that includes highly individualized and intensive interventions and supports for those students who are not making adequate progress from Tier 2 interventions. Interventions at this level include more intensive, individualized instruction as well as continuous monitoring of student progress. Student Intervention Team (SIT) Meetings are scheduled and continue as needed.
- Tier 4 is for students who are not making adequate Tier 3 progress and includes a referral for a special education evaluation.

Included in the Rtl process are two (2) types of student intervention meetings among school personnel, administration and parents. MTS considers parents as vital members of all student intervention meetings and are highly encouraged to attend and participate.

Student Support Team (SST) Meeting: SST Meetings are scheduled when a teacher or parent has a student academic, behavior or social concern. SST Meeting participants discuss area(s) of concern and develop a plan of interventions. Members monitor student progress and determine if continuing supports or interventions are needed. Parents/guardians that have student concerns should contact their child's teacher to request a SST Meeting.

Student Intervention Team (SIT) Meeting: SIT Meetings are scheduled when SST Meeting participants determine that student progress remains a concern. SIT Meeting participants work collaboratively to develop a more intensive individualized student intervention plan. Student progress continues to be closely monitored. On-going meetings are scheduled as needed, or until team members determine that further evaluations or testing is required.

Positive Behavior Interventions and Supports (PBIS)

Positive Behavior Interventions and Supports is a proactive approach to teaching and supporting positive behaviors and meeting the needs of ALL students. The school-wide approach to discipline focuses on building a safe and positive environment in which all students can learn. PBIS expectations at Menominee Tribal School are:

- Be Respectful
- Be Responsible
- Be Safe

This approach focuses on acknowledging students for consistent positive behavior. There are expectations posted in all settings for all students, parents, and staff. Direct instruction of expected behaviors will occur throughout the school year. Students and classrooms are rewarded with PAW (Positive Attitude Weskewat!) awards for expected behaviors. Problem behavior will be responded to with consistent consequences that are focused on re-teaching the expected behaviors.

Expectations for each area of the school are specified on page 13-14 of this handbook.

Menominee Language and Culture

All students are required to participate in the Menominee Language and Culture classes. Traditional practices will be instilled in students by emphasizing respectful behavior, performing traditional rituals, and making every day decisions based on the Seven Grandfather Teachings.

Special Education

The Menominee Tribal School provides exceptional educational services for children with disabilities. The special education staff is certified through the Wisconsin Department of Public Instruction. The Bureau of Indian Education closely monitors the programs. The Menominee Tribal School supports inclusive practices with children with disabilities. They are to be included in all aspects of education under the same regulations of all regular education children.

Community Service

All middle school students (6-8) are encouraged to participate in community service activities. Community service provides youth the opportunity to learn how to become good citizens. This experience prepares them for high school in which community service is a requirement of graduation.

Student Wellness

The Menominee Tribal School will promote school wellness, including good nutrition and physical activity in the school's educational programs, school activities and meal programs that contribute to the development of lifelong wellness practices. In an effort to promote healthy classroom environments, it is recommended that treats provided by families for classroom celebrations hold nutritious value while sugary sweets and candy are avoided. *The complete Wellness Policy is available for viewing on the MTS website or may be requested in paper form at the school office.*

ADMISSIONS

A child entering kindergarten must be five (5) years old on or before September 1st. Students who turn (five) 5 after September 1 and before December 1 may request early admission to kindergarten. All requests must be submitted in writing to administration for consideration on a case-by-case basis.

Tribal Enrollment Qualification – Student must have on file the required documentation of tribal membership (certificate of Indian blood-CIB) or tribal enrollment card of a federally recognized tribe. If student is not enrolled with one tribe, but is a descendent of more than one tribe, the student may establish ¼ blood degree of Indian descent through documentation provided by the Menominee Tribal Enrollment Department.

Acceptance -Tuition required:

If a child meets all application requirements except the certified enrollment status in a federally recognized tribe, this child may be accepted; however, they will be charged tuition. The Menominee Tribal Board of Education will review The Tuition Rate yearly. Non-ISEP students will make up no more than 2% of the total school population. Tuition is set at \$1000 per year and is paid per parent-school tuition payment contract. Tuition needs to be prepaid quarterly or an acceptable wage assignment agreed upon that equals quarterly monetary amounts. If payment is not received, child will not be readmitted the following quarter. Records will not be released until payment is received.

*Alternate payment plans may be arranged with school board approval. NOTE: A limit is placed on the amount of children not enrolled in a federally recognized tribe because NO funds are received for their educational expenses.

The complete Menominee Tribal School Admission Policy is available per request as well as on the MTS website.

Classroom Placement

When new students are admitted and accepted into the Menominee Tribal School, the Admission Team will determine what class roster is appropriate and in the best interest of the child. The placement of returning students is made by the Administrator or designee, and teachers in the units (K-2, 3-5, 6-8) that the child is being served.

APPEAL TO DECISION

The parent has the right to appeal the decision to the Administrator in writing within five (5) working days of the decision. The procedure that will be followed will be the same as the complaint procedure.

Grade Advancement

Each student will be evaluated on the following components in order to be advanced to the next grade level and eventual graduation from the eighth grade.

Attendance: Student attendance is an essential component to their educational success. Excessive truancy may result in retention.

Achievement: Student will demonstrate adequate progress on multiple assessments (as applicable), which include the Measure of Academic Progress (MAP) Test and other testing measures. In addition the Quarterly Report Card will be reviewed. Middle School students shall maintain a 2.0 grade average or be participating in an intervention program and show progress.

Developmental Level: Student will demonstrate an appropriate social developmental level in the classroom, hallway, cafeteria, playground, and community. A team consisting of the Administrator, Special Education Coordinator, and student's teacher will review each child's case history to determine acceptable level of growth.

Intervention: If the teacher believes that the student is not making adequate progress, the teacher will notify the parent and administration at least by the end of the second quarter in order to initiate interventions with the student. Student plans developed from SST and/or SIT Meetings will be reviewed with school staff and parents. Parents will be notified in writing of the potential for student to be retained at the end of the third quarter. If needed, a final SIT meeting will be held to determine whether the student will be promoted. When the student meets the criteria for being advanced to the next grade level the teacher will make the recommendation on the last report card.

ATTENDANCE

If student learning and growth is to take place, parents/guardians must assure regular attendance at school. Students enrolled at Menominee Tribal School are expected to be in daily attendance during regular school hours for the school term.

In an effort to recognize and promote regular school attendance, the following incentives are in place for those students who are present at school regularly:

- **Grades K-2: Monthly 92% Attendance:** Rewards will be provided to those K-2 students who are present 92% each month.
- **Grades 3-8: Quarterly (1st, 2nd, 3rd) 92% Attendance:** Reward trips will be provided for those students who are present 92% each quarter (3.5 total absences).
- **Grades K-8: End of Year Bay Beach Trip for students with a yearly 92% attendance rate.**
- **Grades K-8 Yearly 99% Attendance:** Each student with 99% attendance or better at the end of the school year will earn a new bike!

Absences

Each day a student is absent the school will make every attempt to contact the parent/guardian if no one called the school to report the absence.

Excused absences

Students arriving late to school must obtain a late slip from the office before reporting to her/his classroom. Students arriving within the hour after school begins are considered tardy. BULLYING PREVENTION

Menominee Tribal School strives to provide a safe, secure and respectful learning environment for all students in the school building, on school grounds, school buses and at school-sponsored activities. Bullying has a harmful social, physical, psychological and academic impact on bullies, victims and bystanders. Menominee Tribal School staff consistently and vigorously addresses bullying so that there is no disruption to the learning environment and learning process. When dealing with bullying, it is important to assess and protect the safety of all students and to provide consequences that teach appropriate behavior and promote the empathy of others.

MTS defines bullying as follows: Bullying includes an imbalance of power and is any intentional written, verbal, electronic, or physical act that a student has toward another particular student more than once, and the behavior causes both mental or physical harm to the other student, is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student.

Bullying behavior can be:

1. Physical (e.g. assault, hitting or punching, kicking, theft, threatening behavior)
2. Verbal (e.g. threatening or intimidating language, teasing or name calling, racist remarks)
3. Indirect (e.g. spreading cruel rumors, intimidation through gestures, social exclusion and sending insulting messages or pictures by mobile phone or using the internet – also known as cyber-bullying)

Not all undesirable behavior, especially when viewed in isolation, will constitute bullying.

Bullying Reporting / Retaliation

All MTS staff that observe or become aware of bullying are required to report the act or incident to a school administrator or his/her designee. Any other person, including students, who is either a victim of bullying or is aware of the bullying are also encouraged to report the act to an administrator or his/her designee. Reports of bullying may be made verbally or in writing as well as confidentially. All reports will be taken seriously and a school investigation will begin within 1 school day of the reported incident.

Consequences

When dealing with bullying, it is important to assess and protect the safety of all students and to provide consequences that teach appropriate behavior and promote empathy for victims. If it is determined that the student(s) participated in bullying, or retaliated against anyone due to the reporting of the bullying behavior, an appropriate consequence per the MTS Parent/Student Handbook Behavior Matrix will be given. However, depending on the severity of the incident, MTS administration and the school board may take disciplinary action that may include: suspension, expulsion and/or referral to law enforcement for possible legal action. Often a series of additional consequences are imposed that may include, but are not limited to: student/teacher/parent conferences, a student behavior contract, and/or completing a research project on bullying and presenting completed project to a selected audience. The aggressor(s) will also receive anti-bullying education and social skills counseling.

All bullying victims, including the bully aggressor, will receive support through the MTS counseling department and/or other support staff.

Staff at Menominee Tribal School will do the following things to prevent bullying and help children feel safe at school:

- Closely supervise students in all areas of the school and playground.
- Watch for signs of bullying and stop it when it happens.
- Teach the "Second Step" curriculum.
- Respond quickly and sensitively to bullying reports.
- Take seriously families' concerns about bullying.
- Look into all reported bullying incidents.
- Assign consequences for bullying based on the school discipline code.
- Provide immediate consequences for retaliation against students who report bullying.

Students at Menominee Tribal School will do the following things to prevent bullying:

- Treat each other respectfully.
- Refuse to bully/cyberbully others.
- Refuse to let others be bullied.
- Refuse to watch, laugh, or join in when someone is being bullied.
- Try to include everyone in play, especially those who are often left out.

The complete Bullying Prevention Policy is available for viewing on the MTS website or may be requested in paper form at the school office.

GRADES K-2 STUDENT BEHAVIORAL EXPECTATIONS & DISCIPLINE

Our primary goal is to create classroom environments where everyone can learn successfully while feeling safe and happy. In order for this to happen, our expectations for positive behavior are high. This cannot be accomplished without the support of parents/guardians. Good conduct in school originates in the home. It is the obligation of parents/guardians, though teaching and setting an example, to develop their child's attitude of respect for the school, for the teachers, and for their children. To help develop good behavior habits, parents should:

1. Instill in the child respect for authority, respect for the rights of adults and of other children, and respect for private and public property.
2. Teach your child to comply with teachers and other persons in authority.
3. Support the actions of the teacher or principal in talking with the child about a problem. Confer privately with the teacher or principal if the action taken is not understood or if there is a question regarding its appropriateness.
4. Insist that your child be prompt and regular in school attendance.
5. Talk with your child about school activities. Take an active interest in your child's progress at school and in his/her report card.
6. Arrange for a time and place for your child to do homework assignments and supervise him/her in completing them.
7. Make sure your child understands and complies with the rules of the school.
8. Limit your child's TV, computer, and video game time.

Inappropriate Behavior and Discipline

Grades K-2 Minor Infractions:

Every effort will be made to direct behavior in a positive way. Numerous methods are used daily to ensure every student has a positive learning day. In the event that a child is having difficulty, the following plan is in place for each classroom:

Each classroom teacher will create a behavior chart in his/her classroom which will be broken down into three colors: green, yellow, and red. Each student will have his/her name on some sort of tag and placed on green. The expectation is that the student's name remains on green.

- GREEN means that the student is following the rules and expectations.
- YELLOW is a warning to change behavior.
- RED means that there will be a logical consequence implemented.

Some reasons a child's color will be moved are: talking excessively out of turn, not raising hand, out of seat, touching others, breaking hallway, cafeteria, recess, bathroom, or classroom rules, etc. The consequences for these minor behaviors will be as follows (unless a behavior plan has been in place): Each time a student's name gets on red, the teacher will keep the child in for recess and talk with the child about his/her behavior. A minor infraction referral form will be filled out and phone call made to guardian.

The following matrixes were developed to ensure that each and every child have a positive and safe learning environment. Safety and the well-being of all children is always our first concern.

Grades K-2 Minor Infraction Matrix

Appeal Process: If a student does not agree with the penalty rendered, he/she has five (5) school days to appeal in writing to the Athletic Director to schedule a meeting to express his/her position. All appeals should proceed as quickly as possible. The athlete or coach has five (5) school days to appeal the decision of the Athletic Director.
